

NYSFSMA

2024 Annual Conference

**The Queensbury Hotel
Glens Falls, New York
May 7 - 9, 2024**

WELCOME!

Welcome to the 2024 annual meeting of the **New York State Floodplain and Stormwater Managers Association (NYSFSMA)**. This year's conference offers a range of exciting opportunities for participants. Participants can also choose from a variety of workshops, engage in important discussions, and hear from experts. With over 40 unique presentations, attendees can earn professional credit while gaining valuable insights.

Established in 2000, NYSFSMA is committed to advancing floodplain and stormwater management practices that mitigate flood damages and safeguard water quality. The annual meeting serves as a platform for members, students, community officials, and professionals to connect, share ideas, and stay informed about the latest developments in floodplain and stormwater management within New York State and beyond.

As one of the 38 state chapters of the Association of State Floodplain Managers, NYSFSMA contributes to the broader mission of reducing flood loss nationwide. Through education, certification programs like Certified Floodplain Manager (CFM), professional development, research, and advocacy, NYSFSMA and ASFPM work towards comprehensive floodplain management strategies.

Continuing Education Credits are available for:

- Certified Floodplain Managers (CFM): Six credits per full day or three credits per half day workshop; a maximum of 12 credits can be received for the full conference.
- Code enforcement official credits are available for several courses offered.
- Applications for Professional Engineer PDH's credits are pending and are anticipated for some of the workshops.

Please contact us for specific details of creditable classes.

We encourage all association members, interested professionals, community officials, and the public to attend this important conference. Please visit our website at nyfloods.org.

Or complete the registration form (last page) and transmit it with payment to the address on the form.

Questions regarding the conference, registrations, or payments may be directed to membership@nyfloods.org.
